200HR HOME STUDY PROGRAM

Are you looking to sink your teeth into the genuine teachings of traditional Hatha Yoga and Yogic philosophy PLUS learn how to design life-changing personal practices of Asana, Pranayama and Meditation for yourself, or your students that are completely in alignment with the ancient system of Yoga? Then you've come to the right place!

We are now making our world-renowned 200hr Moon Sun Fire traditional Hatha Yoga and Meditation YTT available to EVERYBODY. These teaching are too important not to share. They belong in the hands of all those who desire to step into their greatness, take their destiny back into their own capable hands and live an extraordinary life.

Mastering our mind and energy is exactly how we achieve this, which is why the ancient Sages went to such great lengths to preserve these teachings and ensure that people like us would always be able to access them. All we need to do, is commit.

So here they are! Unaltered and untouched! READY FOR YOU! Right now.

Lifetime access to the training: \$1799 (includes comprehensive 300 Page manual)
